Order aluminium: 74578
Order black aluminium: B4003

RedRock Roller cover

Characteristics
- specific to Ranger Wildtrak only
- aluminium support construction
- fully lockable
- designed for maximum drainage
- OPTIONAL:
  - crossbars (order 84563)

Order: B3954

Pro/Top Roller cover

Characteristics
- specific to Ranger Wildtrak only
- silver or black finish
- heavy duty alloy construction
- locks to Ranger tailgate
- excellent bad bed security
- retains pick-up look
- OPTIONAL:
  - load x bars (order B3917)

Order silver: B8965
Order black: B8964

Roll ‘n Lock Roller cover

Characteristics
- retractable cover
- 3 pre-set rest positions
- twin point slam lock
- designed for maximum drainage
- weatherproof
- compatible with OE rollbar:
  - purchase extra mountain kit (order 84561)

Order: B2642
Proform Tango

Characteristics
- ABS cover
- Aluminium support construction
- Compatible with OE rollbar
- Purchase mounting kit (order B9298)
- Easy and fast removal
- Electronic touch pad locking
- Central locking integration
- 75kg load carrying capacity
- Optional:
  - Crossbars (order B3917)
  - Cycle carrier (special order)

Order: B93626

Proform Sportslid

Characteristics
- ABS cover fully lockable
- Non-drill fitting
- Twin skinned heavy weight construction
- Easy removal
- Compatible with OE rollbar (not incl.)

Order: A92636

Aeroklas Speed cover

Characteristics
- Polymer black cover
- Fully removable
- Fully lockable
- Non-drill fitting

Order: B65822

Aeroklas Galaxy cover

Characteristics
- Polymer cover, multiple colours
- Fully lockable
- Non-drill fitting
- Easy removal
- Compatible with OE rollbar or OE style rollbar in option
  - Inox (pair A1330 + B2718)
  - Black (pair A7787 + B2718)

Order: A1329

SUSPENSION

**BP-51 shock absorbers**

The new BP-51 range of high-performance, bypass shock absorbers delivers the ultimate in both comfort and control. Designed, developed and tested entirely in-house by ARB.

Vehicle specific applications. Independent adjustment of both rebound and compression damping, to offer class-leading ride customisation that can be tailored to individual vehicle or trip requirements.

---

**Springs**

Complete range of coil and leaf springs providing a noticeable improvement to the Ranger’s performance, including load-carrying capacity and control characteristics:

- medium load
- constant 200kg
- constant 600kg

Estimated lift of 50mm for Ford Ranger. While ride height increases are attained, an emphasis is placed on ride control improvements.

Possibility to deliver a fully integrated system when matched to a set of Old Man Emu shock absorbers.

---

**Nitrocharger Sport**

Nitrocharger Sport shock absorbers provide a noticeable improvement every time the vehicle is driven. Built in Australia and trusted by 4WD drivers around the world. The standard in fine-tuning and ride comfort in any terrain.

Simply the best suspension on the market! Minimum 3 years or 60,000km (whichever comes first) warranty and aftersales service.

---

**HARDWARE**

- Driveline spacer kit
- Bushing kit
- Strut top hat kit
- Trim packer
- Greasable shackles
- U-bolts

Contact us for a vehicle specific offer! We’ll find the most suitable solution for your needs!
